

2018 REPORT

In 2018, Regina Food for Learning provided healthy snacks, lunches, and breakfasts to over 970 students. Volunteers, staff, donors, and school teams provided time, money, and supplies to ensure hungry children in Regina got the nutrition they needed so they could focus on their day.

2018 REPORT

We are grateful to all of our donors that help make Regina Food for Learning programming possible. We work hard to deliver nutritious meals at a low cost and to advocate for childhood hunger in Regina.
